Dear Mr. Manish K Doshi,

We are happy to state that your company has fulfilled all our existing requirements by delivering & installing good quality equipment to our facility. Our laboratory is now equipped with below listed machinery bought from your organization for our Engineering Plastic & Film divisions:

**Computerized Universal testing machine of 10 KN (1000 kg)
Computerized melt flow index tester
Moisture Analyser
Digital Muffle furnace
Digital Density Apparatus
Digital Opacity tester
Hydraulic Press and Sample preparation Dumb bell Dies
Thickness Dial gauges**

We would always give our positive reference for your new customers as well as contact you for our upcoming new requirement during further expansion plan.

Yours sincerely,

Andreas Poullaides
